Animals Everywhere!

On Monday,
we went to a fast-food restaurant.
But, when we got there...
A giraffe was the cashier!
His neck was really, really long.
He had lots of spots
and a collared shirt on.
On Tuesday,
I went to school.
But, when I got there...

A hippo was the teacher!
She was teaching hippoese
She had bright red googlees
plus, lots and lots of fangs.
On Wednesday,
we went to the barber shop.
But, when we got there...

An owl was the barber!
He started to cut my hair
but, he didn’t do so good
because all he did was stare.
On Thursday,
we went to the grocery store.
But when we got there...

A lion was the store clerk!
he was chewing on a bag
he was sitting on the conveyor belt
while shedding a tag.
On Friday,
we went to the pool.
But, when we got there...

A chicken was the lifeguard!
he was holding a first aid kit
he was dressed in red
also, he squawked when he would sit.

On Saturday,

we went to the icecream shop.

But, when we got there...

A crocodile was the icecream server!

he chopped everything, everywhere,

while making my icecream,

he took orders from here and there.

What would you like?
On Sunday,
we went to the museum.
But, when we got there...

A kangaroo was the ticket collector!
She was jumping up and down
she had tickets in her pouch
and as silly as it sounds
she was acting like a clown.
But, as weird as it might seem
thank goodness it was just a dream!
