Once upon a time, a family of butterflies flew to a warm and beautiful place for winter.
Suddenly!
A terrible rainstorm came out of nowhere! Then a horrible thing happened!
The youngest butterfly named... Indigo... was hit by a huge raindrop.

She went spinning round and round... down to the ground!
Indigo was very scared and wet!
Then someone gently put a leaf over her to keep her dry.
I got the Butterfly Blues
And I don't know what to do!
Somebody help me...
Somebody help me...
Cause, I got the BUTTERFLY BLUES!
Oh, No! Indigo is being chased by a bird! Then Indigo hears a kind voice coming from a tree hole. The voice is saying, "in here"!
Luckily, she made it to the tree.

Jack the grasshopper was happy he helped her to escape from the bird. Indigo said "thank you!!!
Jack introduced Indigo to his best friend... Twinkle Fairy. Indigo asked Twinkle if she could help her find her family? Twinkle told Indigo to follow the magic bubble. The bubble will put you on the right path.
hugs, hugs, hugs !!!
When your life is blue... NEVER give up and you will find your way.
