Partner with us for good

Good for learners. Good for your community. Good for you!

19 Million adult Americans over the age of 19 are without a high school diploma.

KET has created FastForward: College and Career Ready—an innovative, highly effective, multi-platform learning system to help students prepare for the GED® test and alternate HiSET® and TASC™ assessments.

By becoming a KET Partner Station you can help make a difference in the community you serve and share in the revenue from online sales of FastForward that come from your website.

For more information about KET’s FastForward Partner Station Program, please contact Ron Griffin at rgriffin@ket.org or 859.258.7218.

Stop by the KET table or call us at 800.354.9067 to learn more!
