KET 
EDUCATION

KET's NEW Online Workplace Essential Skills is a mobile-friendly instructional resource teaching targeted language and math used in high-demand occupations.

Content is contextualized within seven career fields. In addition, a soft skills course addresses professional behavior and communication, working with a team and critical thinking.

Workplace Essential Skills can be implemented in adult education centers, employer training programs, community & workforce programs, corrections & rehab facilities, career/technical/apprenticeship programs, K-12 classroom and resource settings and more!
