# WORKPLACE ESSENTIAL SKILLS

GET STARTED TODAY  
[KET.org/WES](https://KET.org/WES)

Workplace Essential Skills helps you make sense of math and language skills used in high-demand careers AND develops workplace and computer skills.

If you're ready to develop skills to grow in your current job, advance or even change career fields, Workplace Essential Skills can help you succeed. Learn content in the context of these high-demand careers: Manufacturing, Healthcare, Transportation, Construction, Hospitality, Information Technology, and Marketing. Soft Skills course also available.
